Subject Municipal Representation

We are writing to advise that the Otonabee Region Conservation Authority does not have an agreement on the number of members a municipality may appoint as contemplated by subsection 14 (2.1) of the Conservation Authorities Act. The number of municipally appointed members to the Otonabee Region Conservation Authority is consistent with subsection 2 (2) of the legislation.

Further the participating municipalities of the Otonabee Region Conservation Authority are the successor municipalities (post amalgamation) of the municipalities identified in Order-in-Council 1062/69. The participating municipalities and the number of representatives they may appoint is as follows:

Township of Asphodel-Norwood	1 representative
Township of Cavan Monaghan	1 representative
Township of Douro-Dummer	1 representative
City of Kawartha Lakes	1 representative
Township of Otonabee-South Monaghan	1 representative
City of Peterborough	3 representatives
Township of Selwyn	2 representatives
Municipality of Trent Hills	1 representative

Please do not hesitate to contact Mr. Dan Marinigh, CAO/Secretary-Treasurer if we can be of any further assistance.

Yours sincerely
